

## The Worshipful Company of Water Conservators

You are cordially invited to join the Water Conservators' July Webinar

### **Farmers and rivers: working with farmer groups for river restoration**

**Tuesday 8th July 2025 6.00pm to 7.15pm**

Presented by Teresa Dent, CBE

Previously CEO, Game & Wildlife Conservation Trust (GWCT)

#### **About this Webinar**

Teresa Dent has been working with farmer groups to improve wildlife and environmental outcomes since she helped set up the first Farmer Cluster in 2013. She will talk about her experience of working with voluntary farmer groups, how they approach river restoration, and what scope there might be to make farmer groups a key part of river restoration.

## About the Speaker

Originally a farming consultant with Strutt & Parker, Teresa was CEO of GWCT 2001-2025 and still works for GWCT as a coordinator for area-based conservation projects like the Environmental Farmer Groups (EFG) & Farmer Clusters.

Teresa was made a CBE for services to wildlife conservation in 2015; is a Fellow of RASE; was board member of NE (2014-2020); chaired the Marlborough Downs Nature Improvement Area; is a director of various farmer groups; a founder member of Curlew Recovery Partnership; honorary member of National Gamekeepers Association & Grasshoppers Farmer Group.
